

Creative Solutions is a training department, incorporating hairdressing, barbering and beauty/complementary therapies. The students are working towards their qualification and therefore require your understanding and patience at all times.

- We aim to promote a calm and relaxing atmosphere in our salons/clinics and therefore we would request that clients do not bring babies or children to appointments.
- Parking may not always be available on the College campus, however on-street parking is available in the surrounding area.
- Some treatments may require GP approval.

Treatments may possibly take longer than advised, therefore please allow plenty of time for your appointment.
